GALENE

Clean Water Every Tap Every Time

GDS SERIES

GALENE's GDS Series is a two-stage Whole House System that combines:

- Carbon filter
- De-Scaler (Salt-Free Technology)

Benefits include:

- Low Maintenance
- Chlorine reduction
- Save water and energy

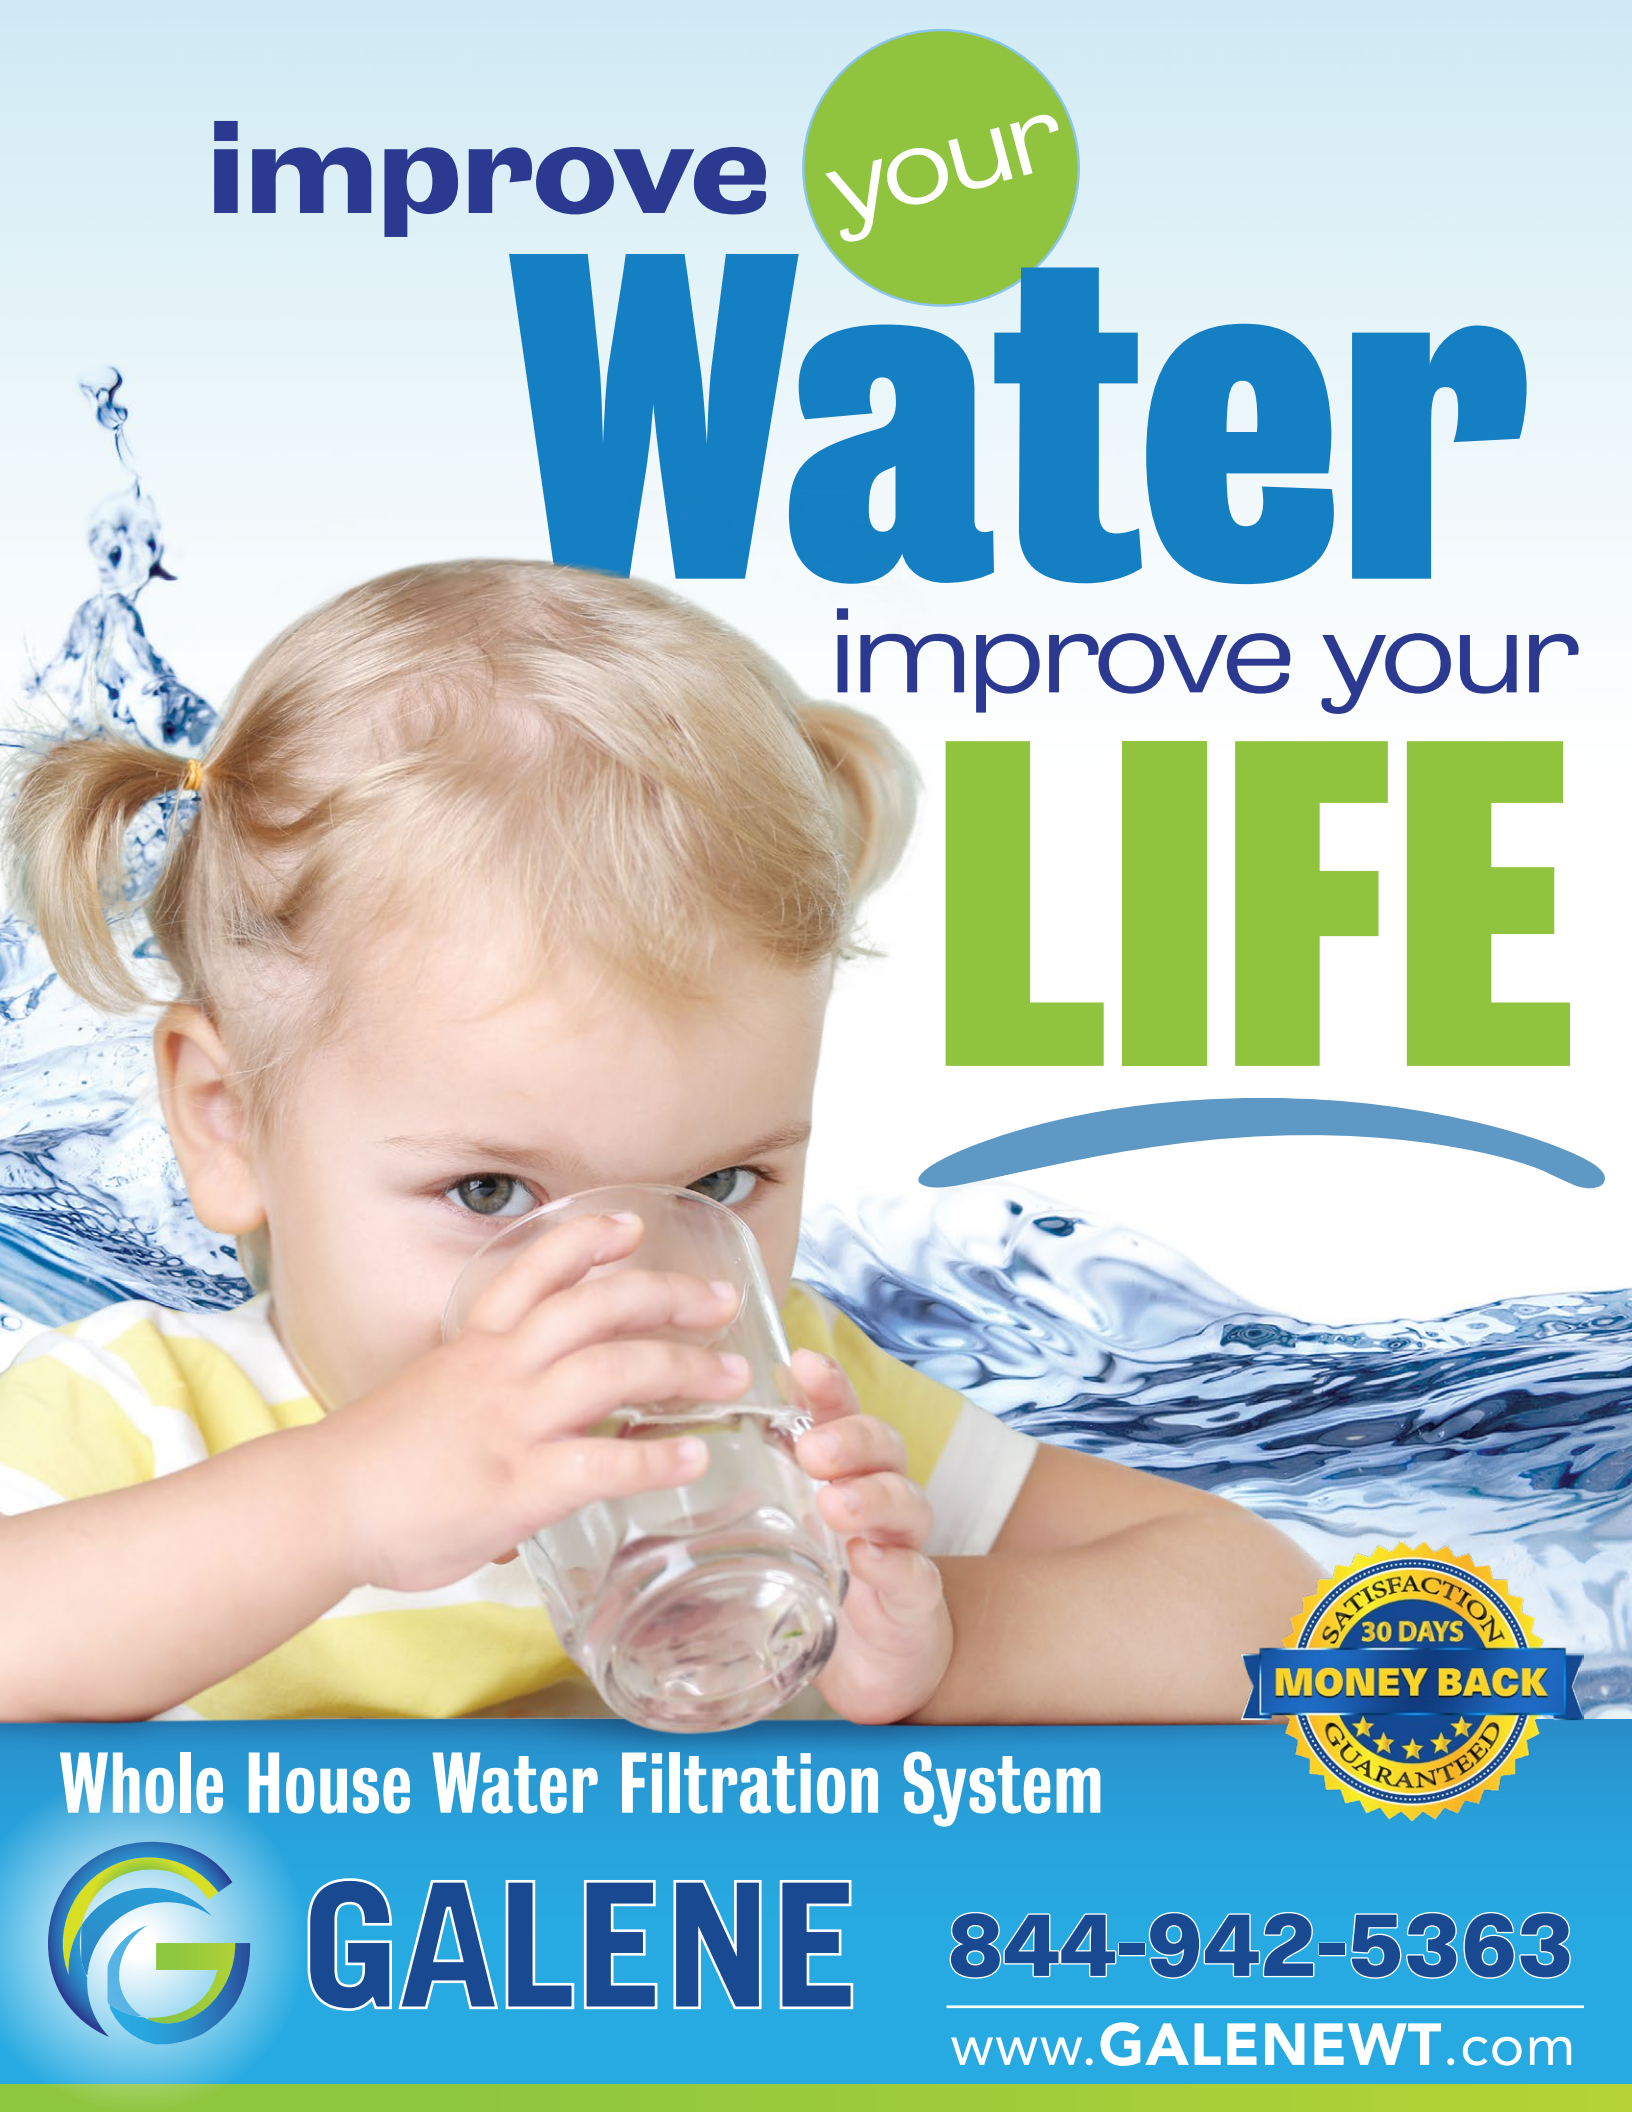

Reduces:

- Dirt / Rust / Sediment
- Hard water issues by not allowing the calcium and magnesium to stick to anything
- Buildup in your water heater
- Buildup in pipes
